

PUBLIC NOTICE FOR January 2017 to December 2019

Monitoring and Reporting Violation of the Safe Drinking Water Act

Lavale Sanitary Commission

date of notice

We are required to monitor your drinking water for specific contaminants on a regular basis. Results of regular monitoring are an indicator of whether or not your drinking water meets health standards. During **January 1, 2017 to December 31, 2019**, we did not complete testing for **Fluoride** and therefore cannot be sure of the quality of our drinking water during that time.

A - Reason(s) for failure to collect, test, and report January 2017 to December 2019 results for fluoride:

B - Reason(s) for failure to report January 2017 to December 2019 test results for fluoride:

Clerical Error

Additional testing will be conducted during 2020. For additional information contact
